

1998 Corvette PCM / ECM

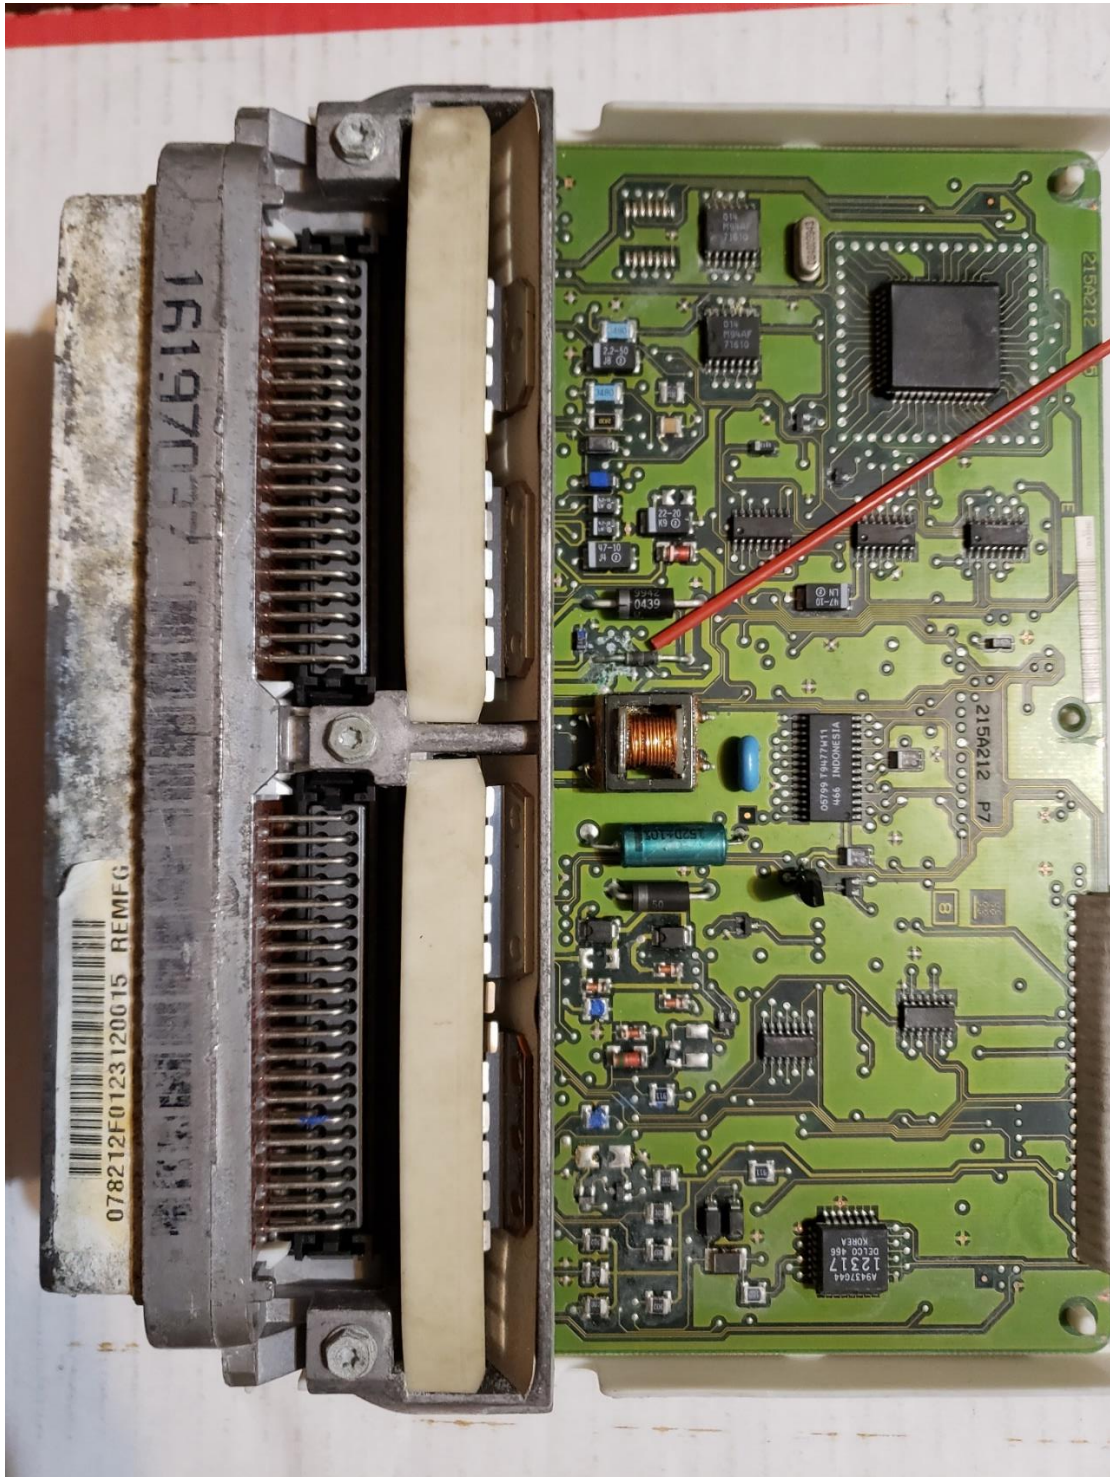

Part #'s 19332289 (and 16238212)

(ECM ALSO Compatible w 98 Camaro & 98 Firebird)

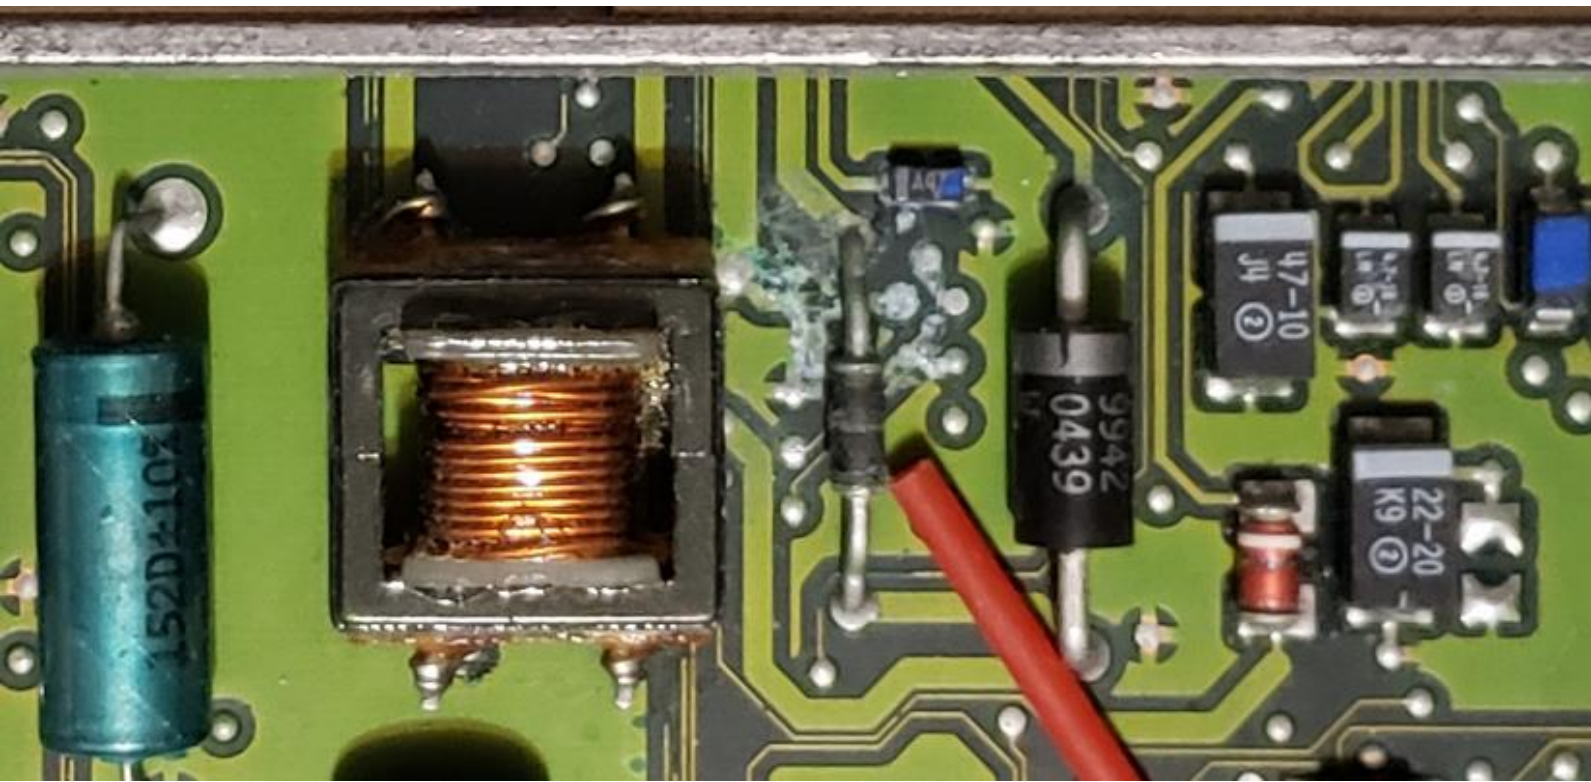

Pic of entire circuit board w Corroded Diode > Needs Replacement.

Notice it's the **only diode of its kind** on the entire board.

The **red pointer** "points" to the **↓ Diode w the label GONE.**

This **magnified** view really shows the diode with no labeling on it anymore !

↓ Here are **pictures** of the housing of **MY actual ECM** ↓
